Personnel: Personnel costs represent expenditure of funds for salary and benefits expenses. In 2023, personnel costs were \$1,130,827 (7%) higher than the prior year. Salary and Benefits increased primarily due to Cost of Living Adjustments for 2023 (4% increases for Teamsters and Police Guild Members and an 8% increase for non-represented employees).

Internal Services: Internal services represents funds paid by General Fund departments to Internal Service Funds such as Computer Replacement (Fund 511), Facility Repair and Replacement (Fund 506), Equipment Rental Maintenance (Fund 500), Equipment Rental Replacement (Fund 501), and Self-Insurance (Fund 520). The increase from the previous year is due to the City funding vehicle and equipment replacement in 2023 while that practice was suspended during the COVID-19 pandemic.

Capital: Capital expenditures in the General Fund for 2023 consist primarily of the remodel of the Municipal Court area of City Hall including the court/council chambers which was funded by grant funds from the state and funds from the American Rescue Plan Act.

Transfers Out: The transfer out of the General Fund is for the 2018 LTGO bonds debt service payment which is made out of the Debt Service Fund. Transfers in 2023 are less than the prior year as \$958K was transferred to the North Bulkhead project in 2022. Also in 2023, \$75,000 was transferred to the Redondo Zone fund to replenish its cash.

The adjustment consists of 1) the January 5, 2023 payroll that covers the pay period of 12/16/2022 to 12/31/2022 and 2) the payment to Police Guild members of salary and benefits owed for 2022 after the new Guild contract was signed in early 2023. The contract period is 2022 through 2024.

## CAPITAL PROJECT FUNDS

### Real Estate Excise Tax

The State of Washington levies a real estate excise tax (REET) upon most sales of real property. The tax is calculated based on the full selling price, including the amount of any liens, mortgages, and other debts given to secure the purchase. The tax is due at the time of sale and is collected by the county when the documents of sale are presented for recording.

In addition to the state real estate excise tax, cities and counties may impose local real estate excise taxes. The City collects the following:

- **REET 1, or the “first quarter percent”** – a 0.25% REET which may be imposed by any city, town, or county primarily for capital projects and limited maintenance;
- **REET 2, or the “second quarter percent”** – an additional 0.25% REET which may be imposed by any city, town, or county fully planning under the Growth Management Act, to be used primarily for capital projects and limited maintenance;

REET revenue amounts are primarily dependent on the real estate market. Below is a chart showing the historical five-year trend of REET revenue. REET 1 and REET 2 received from King County tend to be equal amounts. However, the City does receive REET 1 revenue from the state annually each March.

REET revenue is used to fund the City's capital projects. For more information about the usage of REET funds, please see the City's [Capital Improvements Plan](#) located on the City website under Departments>Finance>Budget>Financial Reports.
