

CITY MANAGER ACCOMPLISHMENTS

RESPONSE TO COVID

Chaired the Emergency Management Committee for COVID response, initially meeting daily to coordinate response with Fire District, DMPD and school district to coordinate action and identify inventory needs for personal protective equipment (PPE).

Managed City operations acting through Emergency Proclamation.

Avoided fatalities on City staff.

MAINTAINED SOLVENT BUDGET

City maintained a stable, solvent budget while faced with financial pressures from COVID including challenges in the labor market, inflationary impacts and, supply chain irregularities.

MAINTAINED EFFECTIVE CITY GOVERNMENT ORGANIZATION

Throughout COVID City kept functional operations, utilizing hybrid solutions and technology to maintain continuity of operations in our Municipal Court, in Community Development and the Building department and elsewhere in City Hall.

Focused, over the last four years, on succession planning.

PARTICIPATION IN EXTERNAL AGENCIES

City representative to SCORE Administrative (governing) Board.

City representative to StART Committee; participation in City Manager's Strategic planning subcommittee.

Participation at Highline Forum.

SUCCESSFUL PASSENGER FERRY SERVICE PILOT IMPLEMENTATION

Conceptualized, designed and implemented (with Council approval) a very successful passenger ferry service pilot that was extremely well received by the public and cost much less than originally anticipated.

FOCUS ON MARINA REDEVELOPMENT

Continued process of establishing potential development pattern.

Continued reaching out to private and public development partners.

Engaged consultants to assist in identifying highest and best use of marina resources.

RESPONSIBLE FOR REVENUE

Established organizational culture and grant writing resources to maximize available grants and funding opportunities and to proactively seek out these opportunities. (2017-present)
