Purpose and Recommendation

The purpose of Recovery Month is to promote recovery, celebrate those in treatment, and continue to educate our community about how to overcome the barriers of stigma and discrimination associated with mental health issues and/or substance use disorders.

Suggested Motion

Motion: "I move to approve the Proclamation supporting September as National Recovery Month"

Background

Recovery Month spreads the message that behavioral health is essential to health and overall wellness, and that prevention works, treatment is effective and people with substance use and mental health issues can and do recover. People in recovery lead healthier lifestyles and contribute in positive ways to their communities.

Throughout the years, hundreds of proclamations have been signed to support Recovery Month. Since 2001, the President of the United States has signed a proclamation declaring September as Recovery Month, further recognizing substance use disorders and mental disorders as conditions that need to be addressed, just like any other illness.

Discussion

Council previously approved a Proclamation supporting September as National Recovery Month in August, 2015 and September, 2017, 2018, 2019, 2020, 2021, and 2022.

Alternatives

None provided.

Financial Impact

No financial impact.

Purpose and Recommendation

The purpose of this agenda item is to seek Council authorization to surplus certain City vehicles and equipment. Consistent with the adopted 2023 Budget, the Public Works Department recommends that the vehicles and equipment identified in Attachment 1 be declared surplus and disposed of. The following motion will appear on the consent calendar:

Suggested Motion

Motion: "I move to adopt Draft Resolution No. 20-027 declaring certain City vehicles and equipment identified in Exhibit A as surplus and authorize disposal of said surplus vehicles by sale, auction, or trade-in as provided in DMMC 3.108.050."

Background

Pursuant to DMMC 3.108.050, any sale or disposition of a City owned vehicle shall be submitted to the City Council for approval. Draft Resolution No. 23-027 identifies the approximate fair market value of the vehicles and equipment that have been identified as surplus to the City's needs.

Discussion

The assets identified in Draft Resolution No. 23-027 are managed utilizing life cycle analysis, assessment valuations (if planned replacement), and overall fleet needs.

Alternatives

Council could decide to not surplus identified vehicles and equipment.

Financial Impact

Proceeds from the surplus sale of the vehicles and equipment will be deposited into the City's vehicle replacement fund.

Recommendation

Staff recommends Council approval of the suggested motion.

Purpose and Recommendation

The purpose of this Agenda Item is to seek City Council authorization for the acceptance of the Washington State Department of Commerce 2022 (Attachment 1) and 2024 (Attachment 2) Local and Community Projects Program Contracts and the Recreation and Conservation Office Grant Agreement (Attachment 3). These grants support the Redondo Fishing Pier and Restroom Replacement Capital Improvement (CIP) projects. The following motion(s) will appear on the Consent Agenda:

Suggested Motions

Motion 1: "I move to authorize the acceptance of Washington State Department of Commerce 2022 Local and Community Projects Program Grant in the amount of \$882,000.00, and further authorize the City Manager, or his designee, to sign the 2022 Local and Community Projects Program Grant Contract substantially in the form as submitted."

Motion 2: “I move to approve the acceptance of Washington State Department of Commerce 2024 Local and Community Projects Program Grant in the amount of \$970,000.00, and further authorize the City Manager, or his designee, to sign the 2024 Local and Community Projects Program Grant Contract substantially in the form as submitted.”

Motion 3: “I move to authorize the acceptance of the Recreation and Conservation Office (RCO) Grant Agreement in the amount of \$681,903.00, and further authorize the City Manager, or his designee, to sign the RCO Grant Agreement substantially in the form as submitted.”

Background

Both the Redondo Fishing pier and Restroom facility have well exceeded their expected service life and are both exhibiting significant degradation despite ongoing maintenance activities. The City has been actively designing the replacement for both facilities and are focusing on publically advertising the project(s) late 2023 for construction start in 2024. Throughout the projects’ design, City administration and staff have actively pursued funding partnerships to ensure overall CIP success.

Motion 1

The City of Des Moines Redondo Fishing Pier is currently closed to the public and is anticipated to be replaced as part of the City’s Capital Improvement Plan (CIP). In an effort to reopen the facility, the Washington State Department of Commerce awarded the City a grant as part of their 2022 Local and Community Projects Program. This grant will be used to fund the removal of the existing pier structure and the construction of the new pier.

Motion 2

In addition to the 2022 Commerce grant award, the Department of Commerce allocated further funding to the Redondo Fishing Pier as part of their 2024 Local and Community Projects Program. This grant will be utilized in the construction of the new pier.

Motion 3

The Redondo Restroom is anticipated to be replaced as part of the City’s Capital Improvement Plan (CIP). The Washington State Recreation and Conservation Office has awarded the City a grant that will be used to construct the new restroom on June 28, 2023.

Discussion

Motion 1

The 2022 Local and Community Projects Program Grant from the Department of Commerce will be used for construction expenditures through December 2024. This grant will be utilized for the removal of the existing pier and the early construction phase of the new fishing pier. These funds will not be able to be used for the restroom replacement.

Motion 2

The 2024 Local and Community Projects Program Grant from the Department of Commerce will be used for construction expenditures through June 2025. This grant will be utilized throughout the whole construction of the new fishing pier. These funds will not be able to be used for the restroom replacement.

Motion 3

The Washington State Recreation and Conservation Office Grant will be utilized for construction expenditures through June 2025. These funds will not be able to be used for the fishing pier replacement

and are prorated to exclude the concession space within the restroom facility as directed by City Council committee concurrence during design.

Alternatives

Motion 1

Alternative: No Grant Acceptance and Authorization

The City Council could elect to not accept and approve the 2022 Local and Community Projects Program Grant. The project will not be able to be completed without these funding sources and other funding would need to be secured. This will cause significant project delay and could place future funding partnerships at risk.

Motion 2

Alternative: No Grant Acceptance and Authorization

The City Council could elect to not accept and approve the 2024 Local and Community Projects Program Grant. The project will not be able to be completed without these funding sources and other funding would need to be secured. This will cause significant project delay and could place future funding partnerships at risk.

Motion 3

Alternative: No Grant Acceptance and Authorization

The City Council could elect to not accept and approve the Recreation and Conservation Office Grant Agreement. The project will not be able to be completed without these funding sources and other funding would need to be secured. This will cause significant project delay and could place future funding partnerships at risk.

Financial Impact

Motion 1, Motion 2

Current CIP project account for these funding resources.

Motion 3

Upcoming CIP budget adoption will include this unanticipated funding source from Washington State Recreation and Conservation Office. This funding will most likely offset some Council approved bond proceeds, and will be reconciled after public construction bid opening and determination of the Responsive Low Bidder.

Recommendation

Staff recommends adoption of the motions.

Council Committee Review

Council committees have been continuously updated on CIP project status(s).

THIS CONTRACT, entered into by and between City of Des Moines ("GRANTEE"), a Unit of Local Government, and the Washington State Department of Commerce ("COMMERCE"), WITNESSES THAT:

WHEREAS, COMMERCE has the statutory authority under RCW 43.330.050 (5) to cooperate with and provide assistance to local governments, businesses, and community-based organizations; and

WHEREAS, COMMERCE is also given the responsibility to administer state funds and programs which are assigned to COMMERCE by the Governor or the Washington State Legislature; and

WHEREAS, the Washington State Legislature has, in Laws of 2021, Chapter 332, Section 1075, made an appropriation to support the 2022 Local & Community Projects Program, and a reappropriation in the Laws of 2023, Chapter 474, Section 6049, and directed COMMERCE to administer those funds; and

WHEREAS, the GRANTEE intends to complete the Project, which will result in the replacement of the Redondo Fishing Pier Replacement Phase 1 (Des Moines); and

WHEREAS, the enabling legislation stipulates that the GRANTEE is eligible to receive funding for the Project.

Additionally, the GRANTEE has received an appropriation for grant activities relating to current project in Laws of 2023, Chapter 474, Section 1025, Contract No. S24225 to support the 2024 Local & Community Projects Program, which has not yet been administered.

NOW, THEREFORE, in consideration of covenants, conditions, performances, and promises hereinafter contained, the parties hereto agree as follows:

1. GRANT MANAGEMENT

The Representative for each of the parties shall be responsible for and shall be the contact person for all communications and billings regarding the performance of this Grant.

The Representative for COMMERCE and their contact information are identified on the Face Sheet of this Grant.

2. COMPENSATION

COMMERCE shall pay an amount not to exceed \$882,000.00 for the capital costs necessary for or incidental to the performance of work as set forth in the Scope of Work.

3. CERTIFICATION OF FUNDS PERFORMANCE MEASURES

A. The release of state funds under this contract is contingent upon the GRANTEE certifying that it has expended or has access to funds from non-state sources as set forth in ATTACHMENT C (CERTIFICATION OF THE AVAILABILITY OF FUNDS TO COMPLETE THE PROJECT), hereof. Such non-state sources may consist of a combination of any of the following:

- i) Eligible Project expenditures prior to the execution of this contract.
- ii) Cash dedicated to the Project.
- iii) Funds available through a letter of credit or other binding loan commitment(s).

- iv) Pledges from foundations or corporations.
- v) Pledges from individual donors.
- vi) The value of real property when acquired solely for the purposes of this Project, as established and evidenced by a current market value appraisal performed by a licensed, professional real estate appraiser, or a current property tax statement. COMMERCE will not consider appraisals for prospective values of such property for the purposes of calculating the amount of non-state matching fund credit.
- vii) In-kind contributions, subject to COMMERCE'S approval.

B. The GRANTEE shall maintain records sufficient to evidence that it has access to or has expended funds from such non-state sources, and shall make such records available for COMMERCE'S review upon reasonable request.

4. PREVAILING WAGE LAW

The Project funded under this Grant may be subject to state prevailing wage law (Chapter 39.12 RCW). The GRANTEE is advised to consult the Industrial Statistician at the Washington Department of Labor and Industries to determine whether prevailing wages must be paid. COMMERCE is not responsible for determining whether prevailing wage applies to this Project or for any prevailing wage payments that may be required by law.

5. DOCUMENTATION AND SECURITY

The provisions of this section shall apply to capital projects performed by nonprofit organizations and public benefit corporations that involve the expenditure of over \$250,000 in state funds. Additionally, Commerce reserves the right to review all state-funded projects and to require that projects performed by other entity types comply with this section. Projects for which the grant award or legislative intent documents specify that the state funding is to be used for pre-design or design only are exempt from this section.

A. Deed of Trust. This Grant shall be evidenced by a promissory note and secured by a deed of trust or other appropriate security instrument in favor of COMMERCE (the "Deed of Trust"). The Deed of Trust shall be recorded in the County where the Project is located, and the original returned to COMMERCE after recordation within ninety (90) days of contract execution. The Deed of Trust must be recorded before COMMERCE will reimburse the GRANTEE for any Project costs. The amount secured by the Deed of Trust shall be the amount of the grant as set forth in Section 2, hereof.

B. Term of Deed of Trust. The Deed of Trust shall remain in full force and effect for a minimum period of ten (10) years following the later of: (1) final payment of state funds to the GRANTEE under this grant; or (2) the date when the facility improved or acquired with grant funds, or a distinct phase of the Project, is made useable to the public for the purpose intended by the Legislature. Upon satisfaction of the ten-year term requirement and all other grant terms and conditions, COMMERCE shall, upon written request of the GRANTEE, take appropriate action to reconvey the Deed of Trust.

C. Title Insurance. The GRANTEE shall purchase an extended coverage lender's policy of title insurance insuring the lien position of the Deed of Trust in an amount not less than the amount of the grant.

D. Covenant. If the project will be partially funded by a loan and the term of said loan is less than the commitment period under this grant contract, COMMERCE may require that GRANTEE record or cause to be recorded a covenant in a superior lien position ahead of the lender's security

6. BASIS FOR ESTABLISHING REAL PROPERTY VALUES FOR ACQUISITIONS OF REAL PROPERTY PERFORMANCE MEASURES

When all or part of the grant is used to fund the acquisition of real property, before funds are disbursed, the GRANTEE shall procure and provide to COMMERCE evidence establishing the value of the real property eligible for reimbursement as follows:

- a. GRANTEE purchases of real property from an independent third-party seller shall be evidenced by a current appraisal prepared by a licensed Washington State commercial real estate appraiser, or a current property tax statement.
- b. GRANTEE purchases of real property from a subsidiary organization, such as an affiliated LLC, shall be evidenced by a current appraisal prepared by a licensed Washington State commercial real estate appraiser or the prior purchase price of the property plus holding costs, whichever is less.

7. EXPENDITURES ELIGIBLE FOR REIMBURSEMENT

The GRANTEE may be reimbursed, at the rate set forth elsewhere in this contract, for Project expenditures corresponding to activities described in the Scope of Work in the following cost categories:

When requesting reimbursement for expenditures made, the GRANTEE shall submit to COMMERCE a signed and completed Invoice Voucher (Form A-19), that documents capitalized Project activity performed – by budget line item – for the billing period.

The GRANTEE shall evidence the costs claimed on each voucher by including copies of each invoice received from vendors providing Project goods or services covered by the contract. The GRANTEE shall also provide COMMERCE with a copy of the cancelled check or electronic funds transfer, as

The GRANTEE's obligation to indemnify, defend, and hold harmless includes any claim by GRANTEE's agents, employees, representatives, or any subgrantee/subcontractor or its employees.

The Contractor's obligation shall not include such claims that may be caused by the sole negligence of the State and its agencies, officials, agents, and employees. If the claims or damages are caused by or result from the concurrent negligence of (a) the State, its agents or employees and (b) the Contractor, its subcontractors, agents, or employees, this indemnity provision shall be valid and enforceable only to the extent of the negligence of the Contractor or its subcontractors, agents, or employees.

The GRANTEE waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless the state and its agencies, officers, agents or employees.

18. INDEPENDENT CAPACITY OF THE GRANTEE

The parties intend that an independent contractor relationship will be created by this Grant. The GRANTEE and its employees or agents performing under this Contract are not employees or agents of the state of Washington or COMMERCE. The GRANTEE will not hold itself out as or claim to be an officer or employee of COMMERCE or of the state of Washington by reason hereof, nor will the GRANTEE make any claim of right, privilege or benefit which would accrue to such officer or employee under law. Conduct and control of the work will be solely with the GRANTEE.

The GRANTEE shall comply with all applicable provisions of Title 51 RCW, Industrial Insurance. If the GRANTEE fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, COMMERCE may collect from the GRANTEE the full amount payable to the Industrial Insurance Accident Fund. COMMERCE may deduct the amount owed by the GRANTEE to the accident fund from the amount payable to the GRANTEE by COMMERCE under this Contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the GRANTEE.

20. LAWS

The GRANTEE shall comply with all applicable laws, ordinances, codes, regulations and policies of local and state and federal governments, as now or hereafter amended.

21. LICENSING, ACCREDITATION AND REGISTRATION

During the performance of this Grant, the GRANTEE shall comply with all federal, state, and local nondiscrimination laws, regulations and policies. In the event of the GRANTEE's non-compliance or refusal to comply with any nondiscrimination law, regulation or policy, this Grant may be rescinded, canceled or terminated in whole or in part, and the GRANTEE may be declared ineligible for further Grants with COMMERCE. The GRANTEE shall, however, be given a reasonable time in which to cure this noncompliance. Any dispute may be resolved in accordance with the "Disputes" procedure set forth herein.

The funds provided under this contract may not be used to fund religious worship, exercise, or instruction. No person shall be required to participate in any religious worship, exercise, or instruction in order to have access to the facilities funded by this grant.

- a. Employees are "similarly employed" if the individuals work for the same employer, the performance of the job requires comparable skill, effort, and responsibility, and the jobs are performed under similar working conditions. Job titles alone are not determinative of whether employees are similarly employed;
- b. GRANTEE may allow differentials in compensation for its workers if the differentials are based in good faith and on any of the following:
 - (i) A seniority system; a merit system; a system that measures earnings by quantity or quality of production; a bona fide job-related factor or factors; or a bona fide regional difference in compensation levels.

**GENERAL TERMS AND CONDITIONS

(iii) A bona fide regional difference in compensation level must be: Consistent with business necessity; not based on or derived from a gender-based differential; and account for the entire differential.

This Contract may be terminated by COMMERCE, if COMMERCE or the Department of Enterprise services determines that the GRANTEE is not in compliance with this provision.

26. PUBLICITY

The GRANTEE agrees not to publish or use any advertising or publicity materials in which the state of Washington or COMMERCE's name is mentioned, or language used from which the connection with the state of Washington's or COMMERCE's name may reasonably be inferred or implied, without the prior written consent of COMMERCE.

27. RECAPTURE

In the event that the GRANTEE fails to perform this Grant in accordance with state laws, federal laws, and/or the provisions of this Grant, COMMERCE reserves the right to recapture funds in an amount to compensate COMMERCE for the noncompliance in addition to any other remedies available at law or in equity.

Repayment by the GRANTEE of funds under this recapture provision shall occur within the time period specified by COMMERCE. In the alternative, COMMERCE may recapture such funds from payments due under this Grant.

28. RECORDS MAINTENANCE

GRANTEE shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the Grant, shall be subject at all reasonable times to inspection, review or audit by COMMERCE, personnel duly authorized by COMMERCE, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

STATE FUNDS**

30. RIGHT OF INSPECTION

At no additional cost, the GRANTEE shall provide right of access to its facilities to COMMERCE, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this Grant.

31. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Grant and prior to normal completion, COMMERCE may terminate the Grant under the "Termination for Convenience" clause, without the ten calendar day notice requirement. In lieu of termination, the Grant may be amended to reflect the new funding limitations and conditions.

32. SEVERABILITY

The provisions of this Grant are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Grant.

33. SITE SECURITY

While on COMMERCE premises, GRANTEE, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

34. SUBGRANTING/SUBCONTRACTING

Neither the GRANTEE nor any subgrantee/subcontractor shall enter into subgrants/subcontracts for any of the work contemplated under this contract without obtaining prior written approval of COMMERCE. In no event shall the existence of the subgrant/subcontract operate to release or reduce the liability of the GRANTEE to COMMERCE for any breach in the performance of the GRANTEE's duties. This clause does not include Grants of employment between the GRANTEE and personnel assigned to work under this Grant.

Additionally, the GRANTEE is responsible for ensuring that all terms, conditions, assurances and certifications set forth in this agreement are carried forward to any subgrants/subcontracts. Every subgrant/subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a subgrantee's/subcontractor's performance of the subgrant/subcontract. GRANTEE and its subgrantees/subcontractors agree not to release, divulge, publish, transfer, sell or otherwise make known to unauthorized persons personal information without the express written consent of COMMERCE or as provided by law.

35. SURVIVAL

The terms, conditions, and warranties contained in this Grant that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Grant shall so survive.

36. TAXES

All payments accrued on account of payroll taxes, unemployment contributions, the GRANTEE's income or gross receipts, any other taxes, insurance or expenses for the GRANTEE or its staff shall be the sole responsibility of the GRANTEE.

37. TERMINATION FOR CAUSE

In the event COMMERCE determines the GRANTEE has failed to comply with the conditions of this Grant in a timely manner, COMMERCE has the right to suspend or terminate this Grant.

**GENERAL TERMS AND CONDITIONS
GENERAL GRANT
STATE FUNDS**

Before suspending or terminating the Grant, COMMERCE shall notify the GRANTEE in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the Grant may be terminated or suspended.

In the event of termination or suspension, the GRANTEE shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original Grant and the replacement or cover Grant and all administrative costs directly related to the replacement Grant, e.g., cost of the competitive bidding, mailing, advertising and staff time.

COMMERCE reserves the right to suspend all or part of the Grant, withhold further payments, or prohibit the GRANTEE from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the GRANTEE or a decision by COMMERCE to terminate the Grant. A termination shall be deemed a "Termination for Convenience" if it is determined that the GRANTEE: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this Grant are not exclusive and are, in addition to any other rights and remedies, provided by law.

38. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Grant, COMMERCE may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Grant, in whole or in part. If this Grant is so terminated, COMMERCE shall be liable only for payment required under the terms of this Grant for services rendered or goods delivered prior to the effective date of termination.

39. TERMINATION PROCEDURES

Upon termination of this Grant, COMMERCE, in addition to any other rights provided in this Grant, may require the GRANTEE to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this Grant as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the GRANTEE the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the GRANTEE and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the AUTHORIZED REPRESENTATIVE shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Grant. COMMERCE may withhold from any amounts due the GRANTEE such sum as the AUTHORIZED REPRESENTATIVE determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

After receipt of a notice of termination, and except as otherwise directed by the AUTHORIZED REPRESENTATIVE, the GRANTEE shall:

1. Stop work under the Grant on the date, and to the extent specified, in the notice;
2. Place no further orders or subgrants/subcontracts for materials, services, or facilities except as may be necessary for completion of such portion of the work under the Grant that is not terminated;
3. Assign to COMMERCE, in the manner, at the times, and to the extent directed by the AUTHORIZED REPRESENTATIVE, all of the rights, title, and interest of the GRANTEE under the orders and subgrants/subcontracts so terminated, in which case COMMERCE has the right, at its

- discretion, to settle or pay any or all claims arising out of the termination of such orders and subgrants/subcontracts;
4. Settle all outstanding liabilities and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the AUTHORIZED REPRESENTATIVE to the extent AUTHORIZED REPRESENTATIVE may require, which approval or ratification shall be final for all the purposes of this clause;
 5. Transfer title to COMMERCE and deliver in the manner, at the times, and to the extent directed by the AUTHORIZED REPRESENTATIVE any property which, if the Grant had been completed, would have been required to be furnished to COMMERCE;
 6. Complete performance of such part of the work as shall not have been terminated by the AUTHORIZED REPRESENTATIVE; and
 7. Take such action as may be necessary, or as the AUTHORIZED REPRESENTATIVE may direct, for the protection and preservation of the property related to this Grant, which is in the possession of the GRANTEE and in which COMMERCE has or may acquire an interest.

40. TREATMENT OF ASSETS

Title to all property furnished by COMMERCE shall remain in COMMERCE. Title to all property furnished by the GRANTEE, for the cost of which the GRANTEE is entitled to be reimbursed as a direct item of cost under this Grant, shall pass to and vest in COMMERCE upon delivery of such property by the GRANTEE. Title to other property, the cost of which is reimbursable to the GRANTEE under this Grant, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this Grant, or (ii) commencement of use of such property in the performance of this Grant, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

- A. Any property of COMMERCE furnished to the GRANTEE shall, unless otherwise provided herein or approved by COMMERCE, be used only for the performance of this Grant.
- B. The GRANTEE shall be responsible for any loss or damage to property of COMMERCE that results from the negligence of the GRANTEE or which results from the failure on the part of the GRANTEE to maintain and administer that property in accordance with sound management practices.
- C. If any COMMERCE property is lost, destroyed or damaged, the GRANTEE shall immediately notify COMMERCE and shall take all reasonable steps to protect the property from further damage.
- D. The GRANTEE shall surrender to COMMERCE all property of COMMERCE prior to settlement upon completion, termination or cancellation of this Grant
All reference to the GRANTEE under this clause shall also include GRANTEE'S employees, agents or subgrantees/subcontractors.

41. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Grant unless stated to be such in writing and signed by Authorized Representative of COMMERCE.

Scope of Work

Funds awarded under this grant shall be used by the City of Des Moines for the Redondo Fishing Pier Replacement Phase 1 project, located at 28280 Redondo Beach Drive South, Des Moines, Washington 98198.

This will include, but not be limited to, the removal of the existing Redondo Fishing Pier and ancillary facilities in its entirety, the reconstruction of steel/concrete piles, concrete/steel/wood substructure and superstructure, pedestrian railings, emergency access ladders, beach access stairs, concrete transition between pier and modified bulkhead, sidewalk transitions, illumination, utility abandonment and replacement, and navigational beacon replacement.

The Redondo Fishing Pier was closed to the public in July 2019 due to the needed repairs to the wood pilings. Prior to closure, it served as a recreational, fishing, and tourist boost for the region since it is the only public water access between Tacoma and Seattle. The reconstruction of the Redondo Fishing Pier will spur economic activity for the region and provide the public with a venue to walk, run, sight-see, host events, fish, scuba dive, and participate in a variety of water sports.

Project is expected to be completed in April 2025

Costs related to the work will only be reimbursed to the extent the work is determined by Commerce to be within the scope of the legislative appropriation.

STATE FUNDS**

THIS CONTRACT, entered into by and between City of Des Moines (“GRANTEE”), a Unit of Local Government, and the Washington State Department of Commerce (“COMMERCE”), WITNESSES THAT:

WHEREAS, COMMERCE has the statutory authority under RCW 43.330.050 (5) to cooperate with and provide assistance to local governments, businesses, and community-based organizations; and

WHEREAS, COMMERCE is also given the responsibility to administer state funds and programs which are assigned to COMMERCE by the Governor or the Washington State Legislature; and

WHEREAS, the Washington State Legislature has, in Laws of 2023, Chapter 474, Section 1025, made an appropriation to support the 2024 Local & Community Projects Program, and directed COMMERCE to administer those funds; and

WHEREAS, the GRANTEE intends to complete the Project, which will result in the replacement of the Redondo Fishing Pier Replacement Phase 1 (Des Moines); and

WHEREAS, the enabling legislation stipulates that the GRANTEE is eligible to receive funding for the Project.

Additionally, the GRANTEE has received an appropriation for grant activities relating to current project in Laws of 2021, Chapter 332, Section 1075, made an appropriation to support the 2022 Local & Community Projects Program, and a reappropriation in the Laws of 2023 Chapter 474, Section 6049, Contract No. S22152, which has not yet been administered.

NOW, THEREFORE, in consideration of covenants, conditions, performances, and promises hereinafter contained, the parties hereto agree as follows:

1. GRANT MANAGEMENT

The Representative for each of the parties shall be responsible for and shall be the contact person for all communications and billings regarding the performance of this Grant.

The Representative for COMMERCE and their contact information are identified on the Face Sheet of this Grant.

The Representative for the GRANTEE and their contact information are identified on the Face Sheet of this Grant.

2. COMPENSATION

COMMERCE shall pay an amount not to exceed \$970,000.00 for the capital costs necessary for or incidental to the performance of work as set forth in the Scope of Work.

3. CERTIFICATION OF FUNDS PERFORMANCE MEASURES

A. The release of state funds under this contract is contingent upon the GRANTEE certifying that it has expended or has access to funds from non-state sources as set forth in ATTACHMENT C (CERTIFICATION OF THE AVAILABILITY OF FUNDS TO COMPLETE THE PROJECT), hereof. Such non-state sources may consist of a combination of any of the following:

- i) Eligible Project expenditures prior to the execution of this contract.
- ii) Cash dedicated to the Project.
- iii) Funds available through a letter of credit or other binding loan commitment(s).

**SPECIAL TERMS AND CONDITIONS
GENERAL GRANT
STATE FUNDS**

- iv) Pledges from foundations or corporations.
- v) Pledges from individual donors.
- vi) The value of real property when acquired solely for the purposes of this Project, as established and evidenced by a current market value appraisal performed by a licensed, professional real estate appraiser, or a current property tax statement. COMMERCE will not consider appraisals for prospective values of such property for the purposes of calculating the amount of non-state matching fund credit.
- vii) In-kind contributions, subject to COMMERCE'S approval.

B. The GRANTEE shall maintain records sufficient to evidence that it has access to or has expended funds from such non-state sources, and shall make such records available for COMMERCE'S review upon reasonable request.

4. PREVAILING WAGE LAW

The Project funded under this Grant may be subject to state prevailing wage law (Chapter 39.12 RCW). The GRANTEE is advised to consult the Industrial Statistician at the Washington Department of Labor and Industries to determine whether prevailing wages must be paid. COMMERCE is not responsible for determining whether prevailing wage applies to this Project or for any prevailing wage payments that may be required by law.

5. DOCUMENTATION AND SECURITY

The provisions of this section shall apply to capital projects performed by nonprofit organizations and public benefit corporations that involve the expenditure of over \$250,000 in state funds. A. Deed of Trust. This Grant shall be evidenced by a promissory note and secured by a deed of trust or other appropriate security instrument in favor of COMMERCE (the "Deed of Trust"). The Deed of Trust shall be recorded in the County where the Project is located, and the original returned to COMMERCE after recordation within ninety (90) days of contract execution. The Deed of Trust must be recorded before COMMERCE will reimburse the GRANTEE for any Project costs. The amount secured by the Deed of Trust shall be the amount of the grant as set forth in Section 2, hereof.

B. Term of Deed of Trust. The Deed of Trust shall remain in full force and effect for a minimum period of ten (10) years following the later of: (1) final payment of state funds to the GRANTEE under this grant; or (2) the date when the facility improved or acquired with grant funds, or a distinct phase of the Project, is made useable to the public for the purpose intended by the Legislature. Upon satisfaction of the ten-year term requirement and all other grant terms and conditions, COMMERCE shall, upon written request of the GRANTEE, take appropriate action to reconvey the Deed of Trust.

C. Title Insurance. The GRANTEE shall purchase an extended coverage lender's policy of title insurance insuring the lien position of the Deed of Trust in an amount not less than the amount of the grant.

D. Covenant. If the project will be partially funded by a loan and the term of said loan is less than the commitment period under this grant contract, COMMERCE may require that GRANTEE record or cause to be recorded a covenant in a superior lien position ahead of the lender's security

6. BASIS FOR ESTABLISHING REAL PROPERTY VALUES FOR ACQUISITIONS OF REAL PROPERTY PERFORMANCE MEASURES

The voucher must be certified (signed) by an official of the GRANTEE with authority to bind the GRANTEE. The final voucher shall be submitted to COMMERCE within sixty (60) days following the completion of work or other termination of this contract, or within fifteen (15) days following the end of the state biennium unless contract funds are reappropriated by the Legislature in accordance with Section 19, hereof.

Each request for payment must be accompanied by a Project Status Report, which describes, in narrative form, the progress made on the Project since the last invoice was submitted, as well as a report of Project status to date. COMMERCE will not release payment for any reimbursement request received unless and until the Project Status Report is received. After approving the Invoice Voucher and Project Status Report, COMMERCE shall promptly remit a warrant to the GRANTEE.

COMMERCE will pay GRANTEE upon acceptance of services provided and receipt of properly completed invoices, which shall be submitted to the Representative for COMMERCE not more often than monthly.

Payment shall be considered timely if made by COMMERCE within thirty (30) calendar days after receipt of properly completed invoices. Payment shall be sent to the address designated by the GRANTEE.

COMMERCE may, in its sole discretion, terminate the Grant or withhold payments claimed by the GRANTEE for services rendered if the GRANTEE fails to satisfactorily comply with any term or condition of this Grant.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by COMMERCE.

Duplication of Billed Costs

The GRANTEE shall not bill COMMERCE for services performed under this Agreement, and COMMERCE shall not pay the GRANTEE, if the GRANTEE is entitled to payment or has been or will be paid by any other source, including grants, for that service.

In lieu of termination, the Grant may be amended to reflect the new funding limitations and conditions.

32. SEVERABILITY

The provisions of this Grant are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Grant.

33. SITE SECURITY

34. SUBGRANTING/SUBCONTRACTING

Neither the GRANTEE nor any subgrantee/subcontractor shall enter into subgrants/subcontracts for any of the work contemplated under this contract without obtaining prior written approval of COMMERCE. In no event shall the existence of the subgrant/subcontract operate to release or reduce the liability of the GRANTEE to COMMERCE for any breach in the performance of the GRANTEE's duties. This clause does not include Grants of employment between the GRANTEE and personnel assigned to work under this Grant.

GENERAL GRANT
STATE FUNDS**

Before suspending or terminating the Grant, COMMERCE shall notify the GRANTEE in writing of the need to take corrective action. If corrective action is not taken within 30 calendar days, the Grant may be terminated or suspended.

The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the GRANTEE the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the GRANTEE and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the AUTHORIZED REPRESENTATIVE shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this Grant. COMMERCE may withhold from any amounts due the GRANTEE such sum as the AUTHORIZED REPRESENTATIVE determines to be necessary to protect COMMERCE against potential loss or liability.

The rights and remedies of COMMERCE provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

Title to all property furnished by COMMERCE shall remain in COMMERCE. Title to all property furnished by the GRANTEE, for the cost of which the GRANTEE is entitled to be reimbursed as a direct item of cost under this Grant, shall pass to and vest in COMMERCE upon delivery of such property by the GRANTEE. Title to other property, the cost of which is reimbursable to the GRANTEE under this Grant, shall pass to and vest in COMMERCE upon (i) issuance for use of such property in the performance of this Grant, or (ii) commencement of use of such property in the performance of this Grant, or (iii) reimbursement of the cost thereof by COMMERCE in whole or in part, whichever first occurs.

- A. Any property of COMMERCE furnished to the GRANTEE shall, unless otherwise provided herein or approved by COMMERCE, be used only for the performance of this Grant.

41. WAIVER

Waiver of any default or breach shall not be deemed to be a waiver of any subsequent default or breach. Any waiver shall not be construed to be a modification of the terms of this Grant unless stated to be such in writing and signed by Authorized Representative of COMMERCE.

Scope of Work

Funds awarded under this grant shall be used by the City of Des Moines for the Redondo Fishing Pier Replacement Phase 1 project, located at 28280 Redondo Beach Drive South, Des Moines, Washington 98198.

This will include, but not be limited to, the removal of the existing Redondo Fishing Pier and ancillary facilities in its entirety, the reconstruction of steel/concrete piles, concrete/steel/wood substructure and superstructure, pedestrian railings, emergency access ladders, beach access stairs, concrete transition between pier and modified bulkhead, sidewalk transitions, illumination, utility abandonment and replacement, and navigational beacon replacement.

The Redondo Fishing Pier was closed to the public in July 2019 due to the needed repairs to the wood pilings. Prior to closure, it served as a recreational, fishing, and tourist boost for the region since it is the only public water access between Tacoma and Seattle. The reconstruction of the Redondo Fishing Pier will spur economic activity for the region and provide the public with a venue to walk, run, sight-see, host events, fish, scuba dive, and participate in a variety of water sports.

Project is expected to be completed in April 2025

Costs related to the work will only be reimbursed to the extent the work is determined by Commerce to be within the scope of the legislative appropriation.

PERFORMANCE BY THE SPONSOR

The Sponsor shall undertake the project as described in this Agreement, and in accordance with the Sponsor's proposed goals and objectives described in the application or documents submitted with the application, all as finally approved by the RCO (to include any RCO approved changes or amendments thereto). All submitted documents are incorporated by this reference as if fully set forth herein.

Timely completion of the project and submission of required documents, including progress and final reports, is important. Failure to meet critical milestones or complete the project, as set out in this Agreement, is a material breach of the Agreement.

ASSIGNMENT

Neither this Agreement, nor any claim arising under this Agreement, shall be transferred or assigned by the Sponsor without prior written approval of the RCO. Sponsor shall not sell, give, or otherwise assign to another party any property right, or alter a conveyance (see below) for the project area acquired with this grant without prior approval of the RCO.

RESPONSIBILITY FOR PROJECT

Although RCO administers the grant that is the subject of this Agreement, the project itself remains the sole responsibility of the Sponsor. The RCO and Funding Entity (if different from the RCO) undertakes no responsibilities to the Sponsor, or to any third party, other than as is expressly set out in this Agreement.

The responsibility for the implementation of the project is solely that of the Sponsor, as is the responsibility for any claim or suit of any nature by any third party related in any way to the project. When a project has more than one Sponsor, any and all Sponsors are equally responsible for the project and all post-completion stewardship responsibilities and long-term obligations unless otherwise stated in this Agreement.

The RCO, its employees, assigns, consultants and contractors, and members of any funding board or advisory committee or other RCO grant review individual or body, have no responsibility for reviewing, approving, overseeing or supervising design, construction, or safety of the project and leaves such review, approval, oversight and supervision exclusively to the Sponsor and others with expertise or authority. In this respect, the RCO, its employees, assigns, consultants and contractors, and any funding board or advisory committee or other RCO grant review individual or body will act only to confirm at a general, lay person, and nontechnical level, solely for the purpose of project eligibility and payment and not for safety or suitability, that the project apparently is proceeding or has been completed as per the Agreement.

INDEMNIFICATION

The Sponsor shall defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the actual or alleged acts, errors, omissions or negligence in connection with this Agreement (including without limitation all work or activities thereunder), or the breach of any obligation under this Agreement by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors, or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

Provided that nothing herein shall require a Sponsor to defend or indemnify the State against and hold harmless the State from claims, demands or suits based solely upon the negligence of the State, its employees and/or agents for whom the State is vicariously liable.

Provided further that if the claims or suits are caused by or result from the concurrent negligence of (a) the Sponsor or the Sponsor's agents or employees, and (b) the State, or its employees or agents the indemnity obligation shall be valid and enforceable only to the extent of the Sponsor's negligence or its agents, or employees.

As part of its obligations provided above, the Sponsor specifically assumes potential liability for actions brought by the Sponsor's own employees or its agents against the State and, solely for the purpose of this indemnification and defense, the Sponsor specifically waives any immunity under the state industrial insurance law, RCW Title 51. Sponsor's waiver of immunity under this provision extends only to claims against Sponsor by Indemnitee RCO, and does not include, or extend to, any claims by Sponsor's employees directly against Sponsor.

Sponsor shall ensure that any agreement relating to this project involving any contractors, subcontractors and/or vendors of any tier shall require that the contracting entity indemnify, defend, waive RCW 51 immunity, and otherwise protect the State as provided herein as if it were the Sponsor. This shall not apply to a contractor or subcontractor is solely donating its services to the project without compensation or other substantial consideration.

The Sponsor shall also defend, indemnify, and hold the State and its officers and employees harmless from all claims, demands, or suits at law or equity arising in whole or in part from the alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions by the Sponsor or the Sponsor's agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable, in performance of the work under this Agreement or arising out of any use in connection with the Agreement of methods, processes, designs, information or other items furnished or

communicated to the State, its agents, officers and employees pursuant to the Agreement. Provided, this indemnity shall not apply to any alleged patent or copyright infringement or other allegedly improper appropriation or use of trade secrets, patents, proprietary information, know-how, copyright rights or inventions resulting from the State's, its agents', officers' and employees' failure to comply with specific written instructions regarding use provided to the State, its agents, officers and employees by the Sponsor, its agents, employees, contractors, subcontractors or vendors, of any tier, or any other persons for whom the Sponsor may be legally liable.

The funding board and RCO are included within the term State, as are all other agencies, departments, boards, councils, committees, divisions, bureaus, offices, societies, or other entities of state government.

INDEPENDENT CAPACITY OF THE SPONSOR

The Sponsor and its employees or agents performing under this Agreement are not officers, employees or agents of the RCO or Funding Entity. The Sponsor will not hold itself out as nor claim to be an officer, employee or agent of the RCO or the Funding Entity, or of the state of Washington, nor will the Sponsor make any claim of right, privilege or benefit which would accrue to an employee under RCW 41.06.

The Sponsor is responsible for withholding and/or paying employment taxes, insurance, or deductions of any kind required by federal, state, and/or local laws.

CONFLICT OF INTEREST

Notwithstanding any determination by the Executive Ethics Board or other tribunal, RCO may, in its sole discretion, by written notice to the Sponsor terminate this Agreement if it is found after due notice and examination by RCO that there is a violation of the Ethics in Public Service Act, RCW 42.52; or any similar statute involving the Sponsor in the procurement of, or performance under, this Agreement.

In the event this Agreement is terminated as provided herein, RCO shall be entitled to pursue the same remedies against the Sponsor as it could pursue in the event of a breach of the Agreement by the Sponsor. The rights and remedies of RCO provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

COMPLIANCE WITH APPLICABLE LAW

In implementing the Agreement, the Sponsor shall comply with all applicable federal, state, and local laws (including without limitation all applicable ordinances, codes, rules, and regulations). Such compliance includes, without any limitation as to other applicable laws, the following laws:

- A. **Nondiscrimination Laws.** The Sponsor shall comply with all applicable federal, state, and local nondiscrimination laws and/or policies, including but not limited to: the Americans with Disabilities Act; Civil Rights Act; and the Age Discrimination Employment Act (if applicable). In the event of the Sponsor's noncompliance or refusal to comply with any nondiscrimination law or policy, the Agreement may be rescinded, cancelled, or terminated in whole or in part, and the Sponsor may be declared ineligible for further grant awards from the RCO or Funding Entity. The Sponsor is responsible for any and all costs or liability arising from the Sponsor's failure to so comply with applicable law. Except where a nondiscrimination clause required by a federal funding agency is used, the Sponsor shall insert the following nondiscrimination clause in each contract for construction of this project: "During the performance of this contract, the contractor agrees to comply with all federal and state nondiscrimination laws, regulations and policies."
- B. **Secular Use of Funds.** No funds awarded under this grant may be used to pay for any religious activities, worship, or instruction, or for lands and facilities for religious activities, worship, or instruction. Religious activities, worship, or instruction may be a minor use of the grant supported recreation and conservation land or facility.
- C. **Wages and Job Safety.** The Sponsor agrees to comply with all applicable laws, regulations, and policies of the United States and the State of Washington or other jurisdiction which affect wages and job safety. The Sponsor agrees when state prevailing wage laws (RCW 39.12) are applicable, to comply with such laws, to pay the prevailing rate of wage to all workers, laborers, or mechanics employed in the performance of any part of this contract, and to file a statement of intent to pay prevailing wage with the Washington State Department of Labor and Industries as required by RCW 39.12.40. The Sponsor also agrees to comply with the provisions of the rules and regulations of the Washington State Department of Labor and Industries.
 - 1) Pursuant to RCW 39.12.040(1)(a), all contractors and subcontractors shall submit to Sponsor a statement of intent to pay prevailing wages if the need to pay prevailing wages is required by law. If a contractor or subcontractor intends to pay other than prevailing wages, it must provide the Sponsor with an affirmative statement of the contractor's or subcontractor's intent. Unless required by law, the Sponsor is not required to investigate a statement regarding prevailing wage provided by a contractor or subcontractor.
 - 2) Exception, Service Organizations of Trail and Environmental Projects (RCW 79A.35.130). If allowed by state and federal law and rules, participants in conservation corps programs offered by a nonprofit organization

affiliated with a national service organization established under the authority of the national and community service trust act of 1993, P.L. 103-82, are exempt from provisions related to rates of compensation while performing environmental and trail maintenance work provided: (1) The nonprofit organization must be registered as a nonprofit corporation pursuant to RCW 24.03; (2) The nonprofit organization's management and administrative headquarters must be located in Washington; (3) Participants in the program must spend at least fifteen percent of their time in the program on education and training activities; and (4) Participants in the program must receive a stipend or living allowance as authorized by federal or state law. Participants are exempt from provisions related to rates of compensation only for environmental and trail maintenance work conducted pursuant to the conservation corps program.

- D. **Restrictions on Grant Use.** No part of any funds provided under this grant shall be used, other than for normal and recognized executive-legislative relationships, for publicity or propaganda purposes, or for the preparation, distribution, or use of any kit, pamphlet, booklet, publication, radio, television, or video presentation designed to support or defeat legislation pending before the U.S. Congress or any state legislature. No part of any funds provided under this grant shall be used to pay the salary or expenses of any Sponsor, or agent acting for such Sponsor, related to any activity designed to influence legislation or appropriations pending before the U.S. Congress or any state legislature.
- E. **Debarment and Certification.** By signing the Agreement with RCO, the Sponsor certifies that neither it nor its principals nor any other lower tier participant are presently debarred, suspended, proposed for debarment, declared ineligible or voluntarily excluded from participation in this transaction by Washington State Labor and Industries. Further, the Sponsor agrees not to enter into any arrangements or contracts related to this Agreement with any party that is on Washington State Department of Labor and Industries' "Debarred Contractor List."

ARCHAEOLOGICAL AND CULTURAL RESOURCES

- A. **Project Review.** RCO facilitates the review of projects for potential impacts to archaeology and cultural resources, except as those listed below. The Sponsor shall follow RCO guidance and directives to assist it with such review as may apply.
- 1) **Projects occurring on State/Federal Lands:** Archaeological and cultural resources compliance for projects occurring on State or Federal Agency owned or managed lands, will be the responsibility of the respective agency, regardless of sponsoring entity type. Prior to ground disturbing work or alteration of a potentially historic or culturally significant structure, or release of final payments on an acquisition, the Sponsor must provide RCO all documentation acknowledging and demonstrating that the applicable archaeological and cultural resources responsibilities of such state or federal landowner or manager has been conducted.
- B. **Termination.** RCO retains the right to terminate a project due to anticipated or actual impacts to archaeology and cultural resources.
- C. **Notice To Proceed.** No work shall commence in the project area until RCO has provided a notice of cultural resources completion. RCO may require on-site monitoring for impacts to archaeology and cultural resources during any demolition, construction, land clearing, restoration, or repair work, and may direct that work stop to minimize, mitigate, or avoid impacts to archaeology and cultural resource impacts or concerns. All cultural resources requirements for non ground disturbing projects (such as acquisition or planning projects) must be met prior to final reimbursement.
- D. **Compliance and Indemnification.** At all times, the Sponsor shall take reasonable action to avoid, minimize, or mitigate adverse effects to archaeological and historic resources in the project area, and comply with any RCO direction for such minimization and mitigation. All federal or state cultural resources requirements under Governor's Executive Order 21-02 and the National Historic Preservation Act, and the State Environmental Policy Act and the National Environmental Policy Act, and any local laws that may apply, must be completed prior to the start of any work on the project site. The Sponsor must agree to indemnify and hold harmless the State of Washington in relation to any claim related to historical or cultural artifacts discovered, disturbed, or damaged due to the project funded under this Agreement. Sponsor shall comply with RCW 27.53, RCW 27.44.055, and RCW 68.50.645, and all other applicable local, state, and federal laws protecting cultural resources and human remains.
- E. **Costs associated with project review and evaluation of archeology and cultural resources are eligible for reimbursement under this agreement. Costs that exceed the budget grant amount shall be the responsibility of the Sponsor.**
- F. **Inadvertent Discovery Plan.** The Sponsor shall request, review, and be bound by the RCO Inadvertent Discovery Plan, and:
- 1) Keep the IDP at the project site.
 - 2) Make the IDP readily available to anyone working at the project site.
 - 3) Discuss the IDP with staff and contractors working at the project site.

- 4) Implement the IDP when cultural resources or human remains are found at the project site.

G. Inadvertent Discovery

- 1) If any archaeological or historic resources are found while conducting work under this Agreement, the Sponsor shall immediately stop work and notify RCO, the Department of Archaeology and Historic Preservation at (360) 586-3064, and any affected Tribe, and stop any activity that may cause further disturbance to the archeological or historic resources.
- 2) If any human remains are found while conducting work under this Agreement, Sponsor shall immediately stop work and notify the local Law Enforcement Agency or Medical Examiner/Coroner's Office, and then RCO, all in the most expeditious manner, and stop any activity that may cause disturbance to the remains. Sponsor shall secure the area of the find will and protect the remains from further disturbance until the State provides a new notice to proceed.
 - a) Any human remains discovered shall not be touched, moved, or further disturbed unless directed by RCO or the Department of Archaeology and Historic Preservation (DAHP).
 - b) The county medical examiner/coroner will assume jurisdiction over the human skeletal remains and make a determination of whether those remains are forensic or non-forensic. If the county medical examiner/coroner determines the remains are non-forensic, then they will report that finding to the Department of Archaeology and Historic Preservation (DAHP) who will then take jurisdiction over the remains. The DAHP will notify any appropriate cemeteries and all affected tribes of the find. The State Physical Anthropologist will make a determination of whether the remains are Indian or Non-Indian and report that finding to any appropriate cemeteries and the affected tribes. The DAHP will then handle all consultation with the affected parties as to the future preservation, excavation, and disposition of the remains.

RECORDS

- A. **Digital Records.** If requested by RCO, the Sponsor must provide a digital file(s) of the project property and funded project site in a format specified by the RCO.
- B. **Maintenance and Retention.** The Sponsor shall maintain books, records, documents, data and other records relating to this Agreement and performance of the services described herein, including but not limited to accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement. Sponsor shall retain such records for a period of nine years from the date RCO deems the project complete, as defined in the PROJECT REIMBURSEMENTS Section. If any litigation, claim or audit is started before the expiration of the nine (9) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.
- C. **Access to Records and Data.** At no additional cost, the records relating to the Agreement, including materials generated under the Agreement, shall be subject at all reasonable times to inspection, review or audit by RCO, personnel duly authorized by RCO, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement. This includes access to all information that supports the costs submitted for payment under the grant and all findings, conclusions, and recommendations of the Sponsor's reports, including computer models and methodology for those models.
- D. **Public Records.** Sponsor acknowledges that the RCO is subject to RCW 42.56 and that this Agreement and any records Sponsor submits or has submitted to the State shall be a public record as defined in RCW 42.56. RCO administers public records requests per WAC 286-06 and 420-04 (which ever applies). Additionally, the Sponsor agrees to disclose any information in regards to the expenditure of that funding as if the project sponsor were subject to the requirements of chapter 42.56 RCW. By submitting any record to the State, Sponsor understands that the State may be requested to disclose or copy that record under the state public records law, currently codified at RCW 42.56. The Sponsor warrants that it possesses such legal rights as are necessary to permit the State to disclose and copy such record to respond to a request under state public records laws. The Sponsor hereby agrees to release the State from any claims arising out of allowing such review or copying pursuant to a public records act request, and to indemnify against any claims arising from allowing such review or copying and pay the reasonable cost of state's defense of such claims.

PROJECT FUNDING

- A. **Authority.** This Agreement and funding is made available to Sponsor through the RCO.
- B. **Additional Amounts.** The RCO or Funding Entity shall not be obligated to pay any amount beyond the dollar amount as identified in this Agreement, unless an additional amount has been approved in advance by the RCO director and incorporated by written amendment into this Agreement.

- C. **Before the Agreement.** No expenditure made, or obligation incurred, by the Sponsor before the project start date shall be eligible for grant funds, in whole or in part, unless specifically provided for by the RCO director, such as a waiver of retroactivity or program specific eligible pre-Agreement costs. For reimbursements of such costs, this Agreement must be fully executed and an original received by RCO. The dollar amounts identified in this Agreement may be reduced as necessary to exclude any such expenditure from reimbursement.
- D. **After the Period of Performance.** No expenditure made, or obligation incurred, following the period of performance shall be eligible, in whole or in part, for grant funds hereunder. In addition to any remedy the RCO or Funding Entity may have under this Agreement, the grant amounts identified in this Agreement shall be reduced to exclude any such expenditure from participation.

PROJECT REIMBURSEMENTS

- A. **Reimbursement Basis.** This Agreement is administered on a reimbursement basis per WAC 286-13 and/or 420-12, whichever has been designated to apply. Only the primary Sponsor may request reimbursement for eligible and allowable costs incurred during the period of performance. Conversion includes, but is not limited to, putting such property (or a portion of it) to uses other than those purposes for which funds were approved or transferring such property to another entity without prior approval via a written amendment to the Agreement. All real property or facilities acquired, developed, renovated, and/or restored with funding assistance shall remain in the same ownership and in public use/access status in perpetuity unless otherwise expressly provided in the Agreement or applicable policies or unless a transfer or change in use is approved by the RCO through an amendment. Failure to comply with these obligations is a conversion. Further, if the project is subject to operation and or maintenance obligations, the failure to comply with such obligations, without cure after a reasonable period as determined by the RCO, is a conversion. Determination of whether a conversion has occurred shall be based upon all terms of the Agreement, and all applicable state of federal laws or regulation.
- 1) When a conversion has been determined to have occurred, the Sponsor shall remedy the conversion as set forth in this Agreement (with incorporated documents) and as required by all applicable policies, manuals, WACs and laws that exist at the time the remedy is implemented or the right to the remedy is established by a court or other decision-making body, and the RCO may pursue all remedies as allowed by the Agreement or law.

ORDER OF PRECEDENCE

This Agreement is entered into, pursuant to, and under the authority granted by applicable federal and state laws. The provisions of the Agreement shall be construed to conform to those laws. In the event of a direct and irreconcilable conflict between the terms of this Agreement and any applicable statute, rule, or policy or procedure, the conflict shall be resolved by giving precedence in the following order:

- A. Federal law and binding executive orders;
- B. Code of federal regulations;
- C. Terms and conditions of a grant award to the state from the federal government;
- D. Federal grant program policies and procedures adopted by a federal agency that are required to be applied by federal law;
- E. State Constitution, RCW, and WAC;
- F. Agreement Terms and Conditions and Applicable Manuals;
- G. Applicable deed restrictions, and/or governing documents.

LIMITATION OF AUTHORITY

Only RCO's Director or RCO's delegate authorized in writing (delegation to be made prior to action) shall have the authority to alter, amend, modify, or waive any clause or condition of this Agreement; provided that any such alteration, amendment, modification, or waiver of any clause or condition of this Agreement is not effective or binding unless made as a written amendment to this Agreement and signed by the RCO Director or delegate.

WAIVER OF DEFAULT

Waiver of any default shall not be deemed to be a waiver of any subsequent default. Waiver or breach of any provision of the Agreement shall not be deemed to be a waiver of any other or subsequent breach and shall not be construed to be a modification of the terms of the Agreement unless stated to be such in writing, signed by the director, or the director's designee, and attached as an amendment to the original Agreement.

APPLICATION REPRESENTATIONS – MISREPRESENTATIONS OR INACCURACY OR BREACH

The Funding Entity (if different from RCO) and RCO rely on the Sponsor's application in making its determinations as to eligibility for, selection for, and scope of, funding grants. Any misrepresentation, error or inaccuracy in any part of the application may be deemed a breach of this Agreement.

SPECIFIC PERFORMANCE

RCO may, at its discretion, enforce this Agreement by the remedy of specific performance, which means Sponsors' completion of the project and/or its completion of long-term obligations as described in this Agreement. However, the remedy

of specific performance shall not be the sole or exclusive remedy available to RCO. No remedy available to the RCO shall be deemed exclusive. The RCO may elect to exercise any, a combination of, or all of the remedies available to it under this Agreement, or under any provision of law, common law, or equity, including but not limited to seeking full or partial repayment of the grant amount paid and damages.

TERMINATION AND SUSPENSION

The RCO requires strict compliance by the Sponsor with all the terms of this Agreement including, but not limited to, the requirements of the applicable statutes, rules, and RCO policies, and with the representations of the Sponsor in its application for a grant as finally approved by RCO. For federal awards, notification of termination will comply with 2 C.F.R. § 200 (as updated).

A. For Cause.

- 1) The RCO director may suspend or terminate the obligation to provide funding to the Sponsor under this Agreement:
 - a) If the Sponsor breaches any of the Sponsor's obligations under this Agreement;
 - b) If the Sponsor fails to make progress satisfactory to the RCO director toward completion of the project by the completion date set out in this Agreement. Included in progress is adherence to milestones and other defined deadlines; or
 - c) If the primary and secondary Sponsor(s) cannot mutually agree on the process and actions needed to implement the project;
- 2) Prior to termination, the RCO shall notify the Sponsor in writing of the opportunity to cure. If corrective action is not taken within 30 days or such other time period that the director approves in writing, the Agreement may be terminated. In the event of termination, the Sponsor shall be liable for damages or other relief as authorized by law and/or this Agreement.
- 3) RCO reserves the right to suspend all or part of the Agreement, withhold further payments, or prohibit the Sponsor from incurring additional obligations of funds during the investigation of any alleged breach and pending corrective action by the Sponsor, or a decision by the RCO to terminate the Contract.

B. For Convenience. Except as otherwise provided in this Agreement, RCO may, by ten (10) days written notice, beginning on the second day after the mailing, terminate this Agreement, in whole or in part when it is in the best interest of the state. If this Agreement is so terminated, RCO shall be liable only for payment required under the terms of this Agreement prior to the effective date of termination. A claimed termination for cause shall be deemed to be a "Termination for Convenience" if it is determined that:

- 1) The Sponsor was not in default; or
- 2) Failure to perform was outside Sponsor's control, fault or negligence.

C. Rights and Remedies of the RCO.

- 1) The rights and remedies of RCO provided in this Agreement are not exclusive and are in addition to any other rights and remedies provided by law.
- 2) In the event this Agreement is terminated by the director, after any portion of the grant amount has been paid to the Sponsor under this Agreement due to Sponsor's breach of the Agreement or other violation of law, the director may require that any amount paid be repaid to RCO for redeposit into the account from which the funds were derived. However, any repayment shall be limited to the extent repayment would be inequitable and represent a manifest injustice in circumstances where the project will fulfill its fundamental purpose for substantially the entire period of performance and of long-term obligation.

D. Non Availability of Funds. The obligation of the RCO to make payments is contingent on the availability of state and federal funds through legislative appropriation and state allotment. If amounts sufficient to fund the grant made under this Agreement are not appropriated to RCO for expenditure for this Agreement in any biennial fiscal period, RCO shall not be obligated to pay any remaining unpaid portion of this grant unless and until the necessary action by the Legislature or the Office of Financial Management occurs. If RCO participation is suspended under this section for a continuous period of one year, RCO's obligation to provide any future funding under this Agreement shall terminate. Termination of the Agreement under this section is not subject to appeal by the Sponsor.

- 1) **Suspension:** The obligation of the RCO to manage contract terms and make payments is contingent upon the state appropriating state and federal funding each biennium. In the event the state is unable to appropriate such funds by the first day of each new biennium RCO reserves the right to suspend the Agreement, with ten (10) days written notice, until such time funds are appropriated. Suspension will mean

all work related to the contract must cease until such time funds are obligated to RCO and the RCO provides notice to continue work.

- 2) **No Waiver.** The failure or neglect of RCO to require strict compliance with any term of this Agreement or to pursue a remedy provided by this Agreement or by law shall not act as or be construed as a waiver of any right to fully enforce all rights and obligations set forth in this Agreement and in applicable state or federal law and regulations.

DISPUTE HEARING

Except as may otherwise be provided in this Agreement, when a dispute arises between the Sponsor and the RCO, which cannot be resolved, either party may request a dispute hearing according to the process set out in this section. Either party's request for a dispute hearing must be in writing and clearly state:

- A. The disputed issues;
- B. The relative positions of the parties;
- C. The Sponsor's name, address, project title, and the assigned project number.

In order for this section to apply to the resolution of any specific dispute or disputes, the other party must agree in writing that the procedure under this section shall be used to resolve those specific issues. The dispute shall be heard by a panel of three persons consisting of one person chosen by the Sponsor, one person chosen by the director, and a third person chosen by the two persons initially appointed. If a third person cannot be agreed on, the persons chosen by the Sponsor and director shall be dismissed and an alternate person chosen by the Sponsor, and one by the director shall be appointed and they shall agree on a third person. This process shall be repeated until a three person panel is established.

Any hearing under this section shall be informal, with the specific processes to be determined by the disputes panel according to the nature and complexity of the issues involved. The process may be solely based on written material if the parties so agree. The disputes panel shall be governed by the provisions of this Agreement in deciding the disputes.

The parties shall be bound by the majority decision of the dispute panelists, unless the remedy directed by that panel is beyond the authority of either or both parties to perform, as necessary, or is otherwise unlawful.

Request for a disputes hearing under this section by either party shall be delivered or mailed to the other party. The request shall be delivered or mailed within thirty (30) days of the date the requesting party has received notice of the action or position of the other party which it wishes to dispute. The written agreement to use the process under this section for resolution of those issues shall be delivered or mailed by the receiving party to the requesting party within thirty (30) days of receipt by the receiving party of the request.

All costs associated with the implementation of this process shall be shared equally by the parties.

ATTORNEYS' FEES

In the event of litigation or other action brought to enforce contract terms, each party agrees to bear its own costs and attorneys' fees.

GOVERNING LAW/VENUE

This Agreement shall be construed and interpreted in accordance with the laws of the State of Washington. In the event of a lawsuit involving this Agreement, venue shall be in Thurston County Superior Court if legally proper; otherwise venue shall be in the Superior Court of a county where the project is situated, if venue there is legally proper, and if not, in a county where venue is legally proper. The Sponsor, by execution of this Agreement acknowledges the jurisdiction of the courts of the State of Washington and agrees to venue as set forth above.

SEVERABILITY

The provisions of this Agreement are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Agreement.

END OF STANDARD TERMS AND CONDITIONS

This is the end of the Standard Terms and Conditions of the Agreement.

Suggested Motion

MOTION: "I move to approve the Proclamation supporting September 4-8, 2023 as Construction Suicide Prevention Week"

Background

In 2020, a mission-driven group of volunteers from across the construction industry came together with the goal of saving lives. They collaborated to launch the inaugural Suicide Prevention Week for the industry — a week dedicated to raising awareness about the higher-than-average number of suicides in the construction industry, and to providing resources to help prevent those deaths.

Every year, during September, the construction industry will dedicate a week to raising awareness about the unique challenges workers face in construction that lead to suicide and what we can do to prevent it. Together, we can save lives.

Discussion

At the September 7, 2023 Council meeting Councilmember Jeremy Nutting requested Council recognize September 4-8th as Suicide Prevention Week with a Mayoral Proclamation.

NOW, THEREFORE, THE DES MOINES CITY COUNCIL HEREBY RECOGNIZES

September 4-8, 2023 as Construction Suicide Prevention Week

And asks that respective organizations initiate and/or encourage open conversations relating to and engage in responsible activities whose purpose is to strengthen the construction industry to provide an optimal environment to encourage construction workers to discuss mental health struggles without fear of repercussion or reprisal.
