Director's Thank You to the Des Moines Community!

During my 23 year career with the City of Des Moines as its Parks, Recreation and Senior Services Director, I have had the great pleasure of working with extraordinary citizens, volunteers, staff, civic groups, private and public organizations, businesses and government.

The Department's Vision, "An Active Engaged Community", is realized every day because of passionate individuals that have served Des Moines on its Parks, Recreation, and Senior Services Master Plan Citizens Advisory Committee, Human Services Advisory Committee, Senior Services Advisory Committee, Arts Commission, Landmarks Commission and Lodging Tax Advisory Committee. The Department's programs led by hundreds of Youth Sports Coaches, Senior Services volunteers, Friends of Des Moines Creek, Friends of Sonju Garden, Park Adopt-A-Spot and Earth Day groups have made tremendous impacts through their collective contribution of more than 13,000 hours of time annually.

Authentic partnerships, collaborations and friendships have been developed between the Department and the Highline School District, Highline College, Highline Schools Foundation, Federal Way Public Schools, Rotary Club of Des Moines and Normandy Park, Destination Des Moines, Des Moines Area Food Bank, Des Moines Waterfront Farmers Market, Reach Out Des Moines, King County Library Services, Sound Generations, Catholic Community Services, Sea Mar Community Health Center, Seattle Southside Chamber of Commerce, Seattle Southside Regional Tourism Authority, King Conservation District, Port of Seattle, Midway Sewer District, Highline Water District, Cities of Normandy Park, SeaTac, Burien, Auburn, Kent, Tukwila and Renton, Des Moines Creek Basin Committee, King County and State of Washington, and with the many local businesses, places of worship, human services agencies and neighborhood groups that have contributed their support, funding and expertise.

Because of these relationships, the City has been able to offer hundreds of recreation, senior services, sports, arts, education and fitness activities and special events that have exponentially improved social, physical and mental health, environmental and economic benefits for all people living in Des Moines resulting in a safer, healthier and more inclusive community.

Federal, State, King County and private grant agencies, citizen donations and developer contributions matched City funds to acquire, construct, restore or enhance Des Moines Creek Park and Trail; Steven J. Underwood Memorial Park; Senior Services Activity Center; Des Moines Beach Park Auditorium, Dining Hall, Sun Home Lodge, Restroom and Picnic Shelter; Field House Park, Recreation Center, Grandstand and Picnic Shelter; Barnes Creek Trail; Cecil Powell Park; Dr. Shirley Gordon Park; Kiddie Park; Mary Gay Park; Midway Park; Parkside Park; Parkside Wetlands; Redondo Beach; Sonju Park; Water Tower Park; Westwood Park; Wooton Park; Woodmont Park; and Zenith Park.

The Des Moines Legacy Foundation, a 501c3 non-profit which supports the programs and services of the Parks, Recreation and Senior Services Department, has worked diligently since 1999 to enhance the lives of Des Moines citizens, especially those in need. In the last 20 years, the Foundation and its generous contributors have raised over \$2 million that have been invested in Steven J. Underwood Memorial Park, Des Moines Senior Activity Center, Daisy Sonju Garden, "No Kids Left Inside" Play Areas, Heritage Trail Signage, Fourteen Passenger Van, Recreation Scholarships for Children and Seniors, Medical Lending Equipment, Parkrun, Beach Park Summer Concerts, Art On Poverty Bay Outdoor Sculptures and Murals, Movies in the Park, Des Moines Waterfront Farmers Market, and programs at Midway Park. The Foundation's annual fundraising events include: Bayside Brunch at Anthony's Homeport in November, Bids for Kids at Beach Park Summer Concert Series in July, and Arts Gala on Poverty Bay at Beach Park Auditorium in September.

My heartfelt thanks and deepest respect goes to the Parks, Recreation and Senior Services Department professionals that embody the spirit of service for the betterment of our community! These outstanding team members are Senior Services Manager Sue Padden, Senior Services Program Specialist Natalie Lavoie, Senior Services Program Assistant Charisse Gregory, Facilities and Events Manager Shannon Kirchberg, Facilities and Events Specialist Sonja Cunningham, Recreation Manager Rick Scott, (former) Assistant Recreation Manager Taria Keane, Recreation Specialists Kelsey Cole and Kyle Ehlers, Administrative Assistant Janet Best, and the more than 100 part-time Recreation Leaders and Office and Facility Attendants. The City's parks, facilities and projects are well maintained and managed by Public Works Superintendent John Blackburn, Parks Lead Adam O'Donnell, Parks Maintenance Workers Phil Grager and Bob Remien, Building Maintenance Workers Dick Stites and Mike Drahosz and Public Works Project Manager Scott Romano. Along with the support of the City Council, and the City's Administration, Police, Public Works, Community Development, Finance, Legal, Court, and Marina Departments, these dedicated employees provide the life enriching programs, services and events at our parks, beaches and community centers to meet the needs and interests of our diverse and culturally rich community.

After a 39-year whirlwind career in the Parks and Recreation profession, I will retire from the Des Moines Parks, Recreation and Senior Services Director position on June 30th of this year. It has been an honor and a privilege to have worked alongside the citizens, City Council and staff of the City of Des Moines. My sincerest gratitude to you all.

Patrice Thorell*

Tennis

Orange Ball

Players develop their tennis technique, athletic and court coverage skills in order to achieve success in rallying consistency and in point playing on a 60-foot court. A variety of fun and competitive games are used to develop a strong foundation of tennis fundamentals. Players increase their rallying, volley, serve and point playing skills while improving their athleticism and shot consistency. Players will focus on using the proper shot techniques and court coverage skills before moving on to a 78-foot court.

COME SEE THE DIFFERENCE
NOW OPEN

The Mount Rainier Pool is excited to announce our re-opening as of Monday, April 23, 2018. There will be limited hours and service until we are fully staffed. Please check our website's interactive schedule for the most updated listing of progress and services. www.mtrainierpool.com/schedule.

Get the most up-to-date information. Sign up for our email notifications or call us at **206-824-4722**.

NEW REGISTRATION SYSTEM Manage your account online with our new registration system. Pass holders will also receive a keychain tag to help them speed up their visit.

UPDATED WEBSITE Besides registering online, participants can also check interactive daily schedules and other new information on our website. The website is mobile-friendly with phone, email and maps, and you can even save an activity like lap swimming, special events or other activities to your calendar. The interactive calendar is a great way to check new programs and services as we add more staff.

INCREASED SAFETY We are dedicated to providing a safe environment. We will be requiring everyone 16 and older to show identification, and have added other safety features including cellphone lockers for your valuables, increased locker room/facility checks and alarmed emergency exits.

POOL IMPROVEMENTS Enjoy a dip in the improved pool including a new quartz pool shell and updated tiles to improve the aesthetics of the pool. Improved circulation with our new PVC piping, more frequent pool cleaning, and updated filters. Better access to the pool with ADA lifts on either side of our new bulkhead. The District has also deep-cleaned the facility during the closure, improved security and fixed showers.

MORE TO COME The District is dedicated to improving its services throughout the year as we grow our staff. Watch for swim lessons, special events and other programming to be added in the coming months.

Ask an Expert

By Master Animal Control Officer Jan Magnuson

Dear Pet Owner:

A current Des Moines pet license is your pet's "phone call home"!

PET LICENSE TAGS ARE IMPORTANT—if your dog or cat should run off or become lost, having a current license tag on your pet is the best way to bring him or her safely back home to you! Because we do the pet licensing at our police department in Des Moines, we have 24/7 access to pet owner information, so when your pet is found by a citizen or an officer, we can contact you immediately! Often times we can reunite you with your pet without even having to impound him or her to a shelter!

All Des Moines dogs and cats over the age of six months are required (per DMMC 8.04) to have a current rabies vaccine and be licensed with the city—failure to do so may result in fines and possible

impoundment of your pet. Pet License tags are required to be worn on your pet's collar or harness anytime they are off their own property—but realistically they should ALWAYS be worn, as often when pets escape and run off, it is from their own home, and that is when they really need to have their tag on. Even indoor-only cats should wear their tag, as again, when they escape and are lost outside is when they need that identification on them.

Des Moines pet licenses need to be renewed annually—they are valid January through December of each year, however we do begin selling the next year's tags in October. We also have lifetime licenses for senior citizens 65+ who have altered

(spayed/neutered) pets. Annual dog and cat licenses are \$20 for altered pets and \$60 for un-altered pets, with 50% late fees after March 1, and 100% late fees after May 1. Lifetime licenses are free!

Micro-chips are a great back-up form of identification, and although they are not required, we highly recommend that all dogs and cats have a chip, too! But remember that micro-chips cannot be seen without a scanner/reader, so should NOT be considered a primary form of identification.

Please be a responsible pet owner: keep your pets under proper leash control, scoop after your pet, and keep a current pet license on them at all times! We want your pets to be safely at home with you, as much as you do!

Here is Willow sporting her 2018 Des Moines pet license tag!

PERMIT VOLUMES ARE AT AN ALL-TIME HIGH as the City and the Puget Sound Region experience extraordinary growth. Despite the increased demand for services, the Community Development and Public Works Departments continue to receive accolades from our customers for stellar customer service. A few comments recently received:

"The City of Des Moines has been a tremendous partner in the construction / development of The Adriana Senior Apartments."
—Andy Langsford, The Adriana Senior Apartments

"Wesley is currently in the process of rebuilding the majority of their campus in Des Moines. Throughout the years the City has been an important business partner but never has this partnership been more important than today. Wesley could never have redeveloped this campus without the help and support of the city. I can't thank them enough!"
—Kevin Anderson, Wesley Homes

"As I've stated before and continue to do so, it's been a fantastic partnership working with you and the others with the city of Des Moines. We are looking forward to continue this relationship well beyond the construction process!"

Marina Redevelopment Update

THE CITY HAS ENGAGED IN A PROCESS TO REVIEW POSSIBLE DEVELOPMENT OPTIONS on the Marina floor. Last year the City received a grant from the Port of Seattle for Economic Development. The City matched the grant and hired a team of very knowledgeable consultants to review possible design options including review of current utility corridors and locations that could impact what the development options were.

The results of the consultant review were presented to the City Council in May, 2017. Following their presentation, later in the summer, our City Council took a tour of development sites in Seattle focusing on Harbor Steps, Pike Place Market Expansion and development occurring in South Lake Union. Each of these featured mix-use developments and public amenities.

In October, 2017, the City held a Marina Community Open House to engage our residents and interested parties in an opportunity to express their preferences for the types of activities that could be included in redevelopment scenarios. Over 200 people attended this Open House that was held aboard the Argosy boat, *The Goodtime II*, which was generously donated for the event by Argosy. The results of the Open House are posted on the City's website as is also the consultant report from the May, 2017 presentation.

Going forward the city has received a Phase II grant from the Port of Seattle which is being used to identify the financing options for any redevelopment scenario. The consultants will present the results of their review to the City Council on June 21, 2018. At that point, with knowledge of what is possible, we will engage the community on an on-going basis to determine a course moving forward for Marina redevelopment based on design options, financial feasibility and community preference. It will no doubt require public/private partnerships to move forward. The City is actively moving forward with plans to rebuild the vulnerable Marina bulkhead infrastructure. The Marina Bulkhead project is now live including a survey soliciting for public comments in relation to the restroom alternatives and urban design concept. The link to the survey can be found on the City's website under the "News" section: <http://www.desmoineswa.gov/>

Questions regarding Marina redevelopment can be addressed to our City Clerk/Communications Director, Bonnie Wilkins, at bwilkins@desmoineswa.gov.

Veterans, Seniors and Human Services Levy (VSHSL)

IT IS TIME FOR COMPETITIVE BRIDGE AT THE DES MOINES SENIOR ACTIVITY CENTER, and tables full of intensely focused card players fill the room. The competition isn't the only reason they're here today—companionship, a mental challenge and maybe even a slice of cake and cup of coffee are all part of the draw.

Des Moines Senior Activity Center is just one of 39 centers in King County that reach out to seniors in their community and offer them fitness programs, social activities, educational field trips, drop in games, support for independent living, social services and healthy meals.

These senior centers will serve as a vital piece of new King County funding coming from last November's voter-approved Veterans, Seniors and Human Services Levy (VSHSL). The levy gives service providers across the county the ability to connect veterans, residents over 55 years of age and vulnerable populations to services that will help them live healthy lives.

King County has developed a vision for the levy funds that will have a positive impact on peoples' quality of life through housing stability, social engagement and financial stability. This includes \$3.5 million that will be driven out specifically to these community-focused hubs where seniors can share a meal together, work out together and learn together. Connecting seniors to these services can mean the end of social isolation, a reduction in senior depression and an increase in senior physical health.

King County Councilmember Dave Upthegrove, who represents cities in South King County, has been meeting with senior centers and other community groups in order to solicit input, as he works closely with County agencies to ensure South King County senior centers have proper access to these funding opportunities.

"The senior centers in my district are doing amazing work to provide engaging programs and connection to community," said Councilmember Upthegrove. "These funds are a wonderful opportunity to further improve the quality of life for seniors in a variety of ways."

If you have any questions about the plan for VSHSL or the upcoming grant opportunities please contact Councilmember Upthegrove's office at 206-477-1005. For information on Des Moines Senior Activity Center please call 206-878-1642 or view our quarterly newsletter at www.desmoineswa.gov.

Welcome Back the Summer with the Des Moines Waterfront Farmers Market!

OPENING DAY IS SATURDAY JUNE 2ND FROM 10 TO 2PM. The Market is open Saturday from June thru September. Drop by the Market Information booth and meet our new manager, Susie!

Market Day Parking Pass

If you are a frequent patron and want to streamline your parking experience, purchase a Market Pass for just \$10! This access card will be good every Saturday during the Market season (6/2 through 9/29/2018), from 9:00 am to 3:00 pm. The pass is offered through the City of Des Moines—for more information and to purchase online, visit the DesMoinesWA.gov website. Two-hour free parking vouchers will also be available at the Information Booth during the market.

Helping our community through healthy eating programs for qualifying shoppers

The Market and King Conservation District sponsors the Healthy Eating

Initiative for qualified seniors in our area. Once individuals sign up they will receive a \$10 voucher for purchase of fruits and vegetables.

Also back this year at the market is Fresh Bucks, a healthy eating initiative for low income families. Come to the market, swipe your EBT card and it will double your dollars (up to \$10) per person. Both these programs are good all market season.

The Des Moines Area Food Bank will start their free snack and lunch program for children and teens on June 23rd at the market. For more information on this program and links to other activities in local parks, go to <http://www.myfoodbank.org/summermeals.html>.

The market's Board of Directors would like to thank our sponsors for generously contributing to help keep this vital community event so successful.

To follow the market's happenings every week, and for a list of special events throughout the season, check the web site DMFM.org or Facebook.

We'll be bringing back a special celebration for the last day of the season, September 29, including cider pressing and vegetable art!

Midway Community Garden Launch!

YOU ARE INVITED TO MIDWAY PARK COMMUNITY GARDEN'S LAUNCH PARTY Saturday May 19th starting at 2:00 pm and going until 4. We will have starts to plant and some for people to take home, too! Stop by and see the garden progress so far, add tomatoes, peppers, and herbs, and meet your neighbors, Americorps members Hannah and Maggie, and Melissa Tatro from King Conservation District. This is a family friendly event with a playground and basketball court on site. Feel free to bring a plant (or a few) that you would like to see grown in the garden, share your ideas for reusing/upcycling items for gardening, and if you have a snack or dish you'd like to share please bring that too (completely optional)!

MEMORIAL BENCH DONATION PROGRAM

The City installs and maintains many park benches throughout the city. The Bench Donation program allows citizens and businesses to dedicate a bench to a family or friend for a ten year time frame. If you are interested in purchasing a bench to honor someone you know, please phone 206-870-6547 for more information or email jbest@desmoineswa.gov

Remember the Spanish Castle?

THE SPANISH CASTLE WAS THE MOST FABLED DANCEHALL IN THE HISTORY OF THE PACIFIC NW and it was located at the corner of Pac Hwy and Kent Des Moines Road from 1931-1968. To celebrate the 50th anniversary of its closing, the Des Moines Historical Society is sponsoring an exhibition, a film, and concerts that will take place in Des Moines.

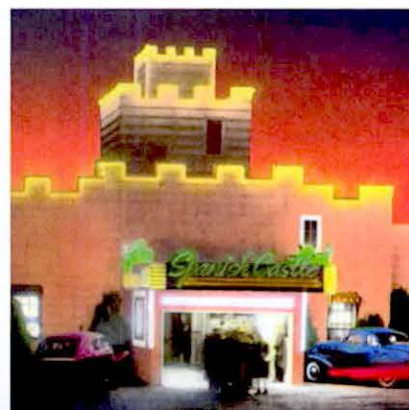

Photo by Gary Jacobsen

Seattle native, Jimi Hendrix performed at the Spanish Castle and wrote "Spanish Castle Magic" in its honor. Other notable performers were Jan and Dean, Roy Orbison, The Beach Boys, Paul Revere and The Raiders and Conway Twitty.

The Historical Society is a non-profit organization and is looking for anything related to the Spanish Castle; photos, films,

recordings, memorabilia, souvenirs, or stories. If you can help, please send an email to spanishcastlemagic@comcast.net.

Housing Repair Assistance Program

THE CITY OF DES MOINES IS ONCE AGAIN PROVIDING MINOR HOME REPAIR SERVICES to City resident homeowners who have "extremely low" to "low" incomes based on U.S. Department of Housing and Urban Development (HUD) income guidelines. This is done by providing free repair services to improve the health and safety of our residents as they live in their homes. Funding for this program is provided by a Community Development Block Grant through King County.

Services provided include but are not limited to:

Electrical – faulty lights, switches, plugs, circuits or exhaust fans

Plumbing – faulty toilets, clogged drains, leaking faucets, faulty water heaters

Disability Aids – installation of grab bars, hand rails, hand held showerheads, bath seats, high toilets, access ramps and application of non-skid surfaces

Safety – installation of smoke alarms, security/safety lights, carbon monoxide alarms and locksets

Other – faulty furnaces, faulty gutters and roof leaks, broken window glass panes

HOW DO I QUALIFY FOR THESE FREE SERVICES?

1. Be an owner/occupant within the Des Moines city limits for at least one year with no intention of selling in the next 12 months, have proof of home owner's insurance, and meet the HUD income guidelines for the program.
2. Complete the application process

HOW DO I APPLY?

1. Request an application by calling 206-870-6535
2. Complete the application forms and return them with supporting documentation to the City of Des Moines/Minor Home Repair at: 21630 11th Avenue S, Suite D, Des Moines WA 98198
3. Once your application is processed and evaluated you will receive a phone call informing you of your acceptance or non-eligibility for our program. Upon acceptance your job will be referred to one of our contractors who will call you to make an appointment to perform those services. Services that are required for your health and/or safety are the highest priority.

South 251st Storm Outfall Project— Construction Award

THE CITY OF DES MOINES SURFACE WATER MANAGEMENT DEPARTMENT is pleased to announce the construction of the permanent South 251st Stormwater Outfall has been awarded to Road Construction North West and is set to begin and be completed this summer.

The project will permanently stabilize and replace the temporary outfall. The permanent design includes removing the temporary outfall pipe, construction of an outfall energy dissipater from quarry rocks, installation of a new outfall pipe with quarry spall bedding, and placement of quarry spall for slope protection. The temporary outfall was installed after heavy rains in 2015 caused landslide repair work made on South 251st Street in 2014 to become unstable and undermine the stormwater discharge diffuser which threatened to undermine the retaining wall supporting the road and utilities.

Anyone interested in obtaining more detailed information should contact Tyler Beekley, City of Des Moines Surface Water Department, at tbeekley@desmoineswa.gov, or call 206-870-6869.

Des Moines Legacy Foundation LEGACY Award 2018

CONGRATULATIONS TO DAVID RAHN. He has been chosen by the Des Moines Legacy Foundation board of directors to receive the foundations' 2018 LEGACY Award. The award is in the form of a glass flame, signifying the positive force of an outstanding community volunteer in changing the needs of our community through selfless leadership through parks, recreation and senior services.

David has been a regular volunteer coach in the Des Moines Parks, Recreation and Senior Services youth sports programs for the past decade. Helping to shape local youth not only into better skilled players but better teammates and human beings. During his tenure David has coached hundreds of children in multiple sports, truly making a difference in the lives of children in the Des Moines area. David instills in his youth how to be a model citizen, a contributing member of the community and a good teammate.

There are so many fantastic people who inspire and mold both the character and future of our children through parks and recreation. These mentors and leaders come from all walks of life, never failing to provide enthusiasm, and guidance. Coaches are

2018 LEGACY Award recipient David Rahm

some of the most sensible, giving and incredible people who have an endless influence on the lives of all those they come in contact with. Being a coach, for any sport, at any level, is a daunting challenge and requires absolute commitment and dedication. David has taken on this challenge time and time again. Never once has he denied a player access to a team he has coached; in fact David has been accepting of any player regardless of age, gender, race or athletic ability as long as they were able to be on a city team. David serves as an example of selflessness and passion, an example carried on by all those he has taught on and off the sports surface. For his tenacious commitment, the employees of Des Moines Parks, Recreation and Senior Services are thankful.

The LEGACY Award will be presented to David at the first Summer Concert, Destination Des Moines Smoke on the Water BBQ and Des Moines Legacy Foundations Bids for Kids at Des Moines Beach Park on Wednesday evening, July 11 by the president of the Des Moines Legacy Foundation, Gene Achziger. 2019 LEGACY award nomination forms will be available in January 2019.

Storm Drain Marker Volunteer Program

COME HELP MAKE A DIFFERENCE IN THE COMMUNITY! Organizations or individuals can help raise public awareness, protect our water quality, and reduce the amount of pollution by participating as a volunteer in our storm drain marking program. When it rains, water runoff collects oil, pet waste, grease, soaps, and sediment. Where it then enters into the storm drain system, polluting the surface water and the environment. You can spend as much time as you wish and choose the area you want to mark. Volunteers must be at least 15 years of age.

Instructions, maps, and storm drain marking supplies will be provided. For more information, please contact Tyler Beekley, Water Quality Specialist at 206-870-6869 or tbeekley@desmoineswa.gov.

Des Moines Creek Parkrun

What is the Des Moines Creek Parkrun?

The Des Moines Creek Parkrun is a free, 5K timed run held every Saturday morning at 9:00 am on the Des Moines Creek Trail with similar 5K's offered all around the world.

How do I join in on the fun?

Head online to www.parkrun.is/register to sign up and download your free parkrun barcode. Once you register, simply bring your barcode with you to any parkrun event in order to track your time! Then check out the "Des Moines Creek Parkrun" Facebook page for updates, positive stories and encouraging vibes! P.S. Like us on Facebook!

When and where is the event located?

Our official program start date is Saturday, June 9! The run route will begin and end at the Des Moines Beach Park Meadow. There will be a short run briefing before each run at 8:45 am to go over the route and answer any questions you might have.

Volunteer for the Des Moines Creek Parkrun!

Every parkrun event here in Des Moines needs at least eight volunteers to operate the event-run director, time keeper, barcode passer, barcode scanner, crosswalk marshal, turnaround marshal, tail walker, and photographer. Without volunteers, parkrun cannot happen. We need YOU to be part of parkrun!

**CITY OF DES MOINES
SHORELINE MASTER PROGRAM**

Department of Ecology approval effective November 1, 2010
Adopted January 27, 2011 by City of Des Moines Ordinance No. 1502

Shoreline Master Program Periodic Review

THE CITY OF DES MOINES IS EMBARKING ON THE PERIODIC REVIEW OF THE SHORELINE MASTER PROGRAM, or SMP for short. The SMP provides the development standards for land use within 200 feet of the Ordinary High Water Mark (OHWM) of Puget Sound. It provides a comprehensive vision, the policy framework and regulations for how the shoreline area will be used and developed over time. Approximately 115 acres of prime real estate in the City is within 200 feet of Puget Sound and regulated by the SMP. Most of the Marina and much of Redondo is included in this area. To say the least, it's one of the City's most important documents.

The City's first SMP was adopted in 1972 after the Shoreline Management Act (SMA) was adopted by Washington State in 1971. The SMA is administered through a cooperative program between local governments and the Department of Ecology (Ecology), whereby local communities prepare a SMP that is adopted under guidelines established by Ecology. The City's current SMP was adopted in 2011 and it may be accessed at www.desmoineswa.gov.

Every eight years State law requires that the City conduct a periodic review of the SMP and this time the City has a deadline of June 30, 2019, to complete it. The purpose of this SMP periodic review is:

- To assure that the SMP complies with current State law that has been updated since the City's last SMP amendment in 2011;
- To assure consistency of the SMP with the City's comprehensive plan and development regulations that have been updated since the City's last SMP amendment in 2011;
- To consider amendments to address changes in City policy, as directed by City Council; and
- To facilitate the submittal and review of projects by clarifying SMP content that it is not currently clear.

There will be a number of opportunities for the community to learn about and weigh in on the SMP periodic review. Outreach methods include a dedicated page on the City's website, open houses, local media updates (Waterland Blog and City Currents), Facebook, and City Council and Council Committee briefings.

The City's goal is that the SMP amendment will make it easier for residents, developers, and applicants to understand the permitting process as well as make the review of projects more efficient, saving everyone time and money.

From the Mayor

By Mayor Matt Pina

AS THE WEATHER TURNS WARMER AND THE DAYS GET LONGER, our City comes alive with children playing in our parks, weekly concerts on the waterfront and walkers

out enjoying the return of the sunshine. I encourage you to check out this issue of the City Currents for a listing of the many summer activities we have to offer.

The City Council has been busy on a number of issues that have a direct impact on the health and wellness of our citizens. Last fall, the City Council approved the formation of an Ad Hoc Aviation Advisory Committee to help identify and resolve negative impacts that occur as a result of the City's proximity to Sea-Tac International Airport. The Aviation Advisory Committee is reviewing the frequency of operations at Sea-Tac, the rallel impacts on local transportation, —alth, and noise and the process to site and develop a second regional airport to ease the congestion at Sea-Tac. In February of this year, the Council passed Resolution No. 1378 which requests that the King County Council, the Puget Sound Regional Council, the State Legislature, and the Governor's Office take deliberate action to fund and implement means to cooperatively update an existing or, as needed, develop a new plan that will address the region's long term aviation capacity needs. On April 5, 2018 members of the Aviation Advisory Committee met with the Council in a Study Session to discuss next steps. The Aviation Advisory Committee is made up of citizens of Des Moines and meets monthly at City Hall with City staff. More information regarding all the activity of the committee can be found on the City's website

Many large developments are nearing completion and we are excited to learn that the Des Moines Theater project is ready to break ground. The Marina bulkhead repair/replacement project is ramping up and the S 223rd Street pavement project —ould be complete by mid-summer.

In August, the City Council will be holding our annual budget retreat. In the last few years the City has seen a number of long term employees retiring from service and it has been a priority of

the Council to ensure smooth transitions and continued high levels of service to our citizens. As a result, we will continue to look to staff to address succession planning in the near term and long term. Check out page 14 for a listing of staff who plan to retire, or have recently retired, and the newest additions to our team! On behalf of the Council I want to thank staff for their commitment to Des Moines and our citizens and wish them much happiness in their retirement.

The Des Moines Farmer's Market will have some new faces this year. Wayne Corey and Rikki Marohl have retired, Susie Novak has taken over as Market Manager, and Kim Richmond is the Chairperson of the market board. I want to express my

gratitude to Wayne and Rikki for making the market what it is today. Best of luck to them both in their retirement!

I am thrilled by the progress we have made and grateful for the community input and support.
